Richmond Football Club.

ANNUAL REPORT FOR 1909.

To the Members of the Richmond Football Club:—

Ladies and Gentlemen,—In submitting you our report for season 1909, we regret our team did not climb higher on the Premiership list last season. But, owing to accidents and other misfortunes in the field, the creditable performances in the first round of matches were not (unfortunately) continued in the second. However, disappointments and misfortunes are all to be contended with in the "grand old game," and we must one and all be satisfied that the team maintained its position on the list of the previous season, and all concerned should work together for a much better result this coming season.

Now that our Club has had two seasons' experience in League company, and with the addition of a number of new players of repute, we hope to gain several rungs up the ladder in 1910.

Membership.—Record Season.

It is a very pleasing fact that our membership increased last season to the extent of seven hundred, giving a total membership now of close on two thousand. A large membership is the mainstay of a club, and we trust this coming season we may increase our roll to the same extent. If every member would endeavor to persuade one person to become a member, look what a fine thing it would mean to the Club.

We desire to take this opportunity to sincerely thank those gentlemen, who have again so generously assisted the club with their annual donations. A complete list of same will be found elsewhere. The Committee are extremely grateful to W. R. R. Blair, Esq., and G. F. A. Jones, Esq., for the valuable professional assistance rendered to the Club during the last season.

Messrs. Bosisto and Co. again very kindly kept the Club supplied with their valuable eucalyptus oil for the requirements of the team. The Committee deeply appreciate the generosity of this popular firm.

Thanks are also due to Mr. C. Whitaker, timekeeper, Mr. W. Bicknell, press representative, and Mr. P. George, assistant hon. secretary, for the capable and painstaking manner these gentlemen performed the duties of their respective offices.

We desire to express our appreciation of the assistance rendered to the game and to our club by our local paper, the "Richmond Guardian." The many fine articles written on our matches and doings of the club must have been appreciated by the members.

Mr. W. Dunning of the well-known firm of Barroni and Co., photographers, Elizabeth-street, presented the Club with another fine enlarged group of the season's team, to add to the large collection of framed photographs in our dressing room—a striking testimony of Mr. Dunning's liberality.

Trainers

Mr. Chas. Taylor and his assistants, Messrs. H. Whitaker, J. Watson, J. Powell, and G. James, ever willing and obliging these gentlemen, attended to the training of the team in a manner very praiseworthy indeed.

Your Committee decided to increase the salary of the Trainers 50 per cent. on the previous salary, which was richly deserved.

Social.

The Club held a number of very enjoyable social functions during the season.

The Lady Members' Social Committee again tendered a Complimentary Social to the Players and Committee early in the season at the local Town Hall. The thanks of all concerned are due to Mrs. W. Taylor (hon. secretary), Mrs. Mullaven (hon. treas.), and the ladies' committee for the very enjoyable evening provided.

Your Committee in return tendered the Ladies' Committee and members of the team a drag outing to Aspendale. A very pleasant day was spent at the Chalet and on the beach by all present.

At a Return Social in the Town Hall, the prizes won in the various races were presented by our president, F. G. Tudor, Esq., M.P.

On the same evening our President, on behalf of the Players, presented the hon. secretary (Mr. Andrew A. Manzie) with a handsome dress ring as a token of esteem and respect.

Two Complimentary Smoke Nights were tendered to the Players by your Committee, one being held at the pavilion, and the other on 16th February, at the Masonic Hall, Swan-street. Both functions turned out a very great success and were much appreciated by all present.

A number of gentlemen who have been connected officially with the Club in years gone by met and decided to hold a Re-union of the old players and friends of the Club. The same was held in the Town Hall on 22nd November last. The gentlemen who worked the affair up must have felt repaid for their efforts when such a large number of the "Old Brigade" turned up and enjoyed themselves to the full.

Committee.

Your Committee (with our respected and popular chairman, Mr. J. J. Stewart) assisted the hon. secretary in every possible way in the management of the Club, as will be seen by the regular attendances at the Committee meetings, given elsewhere.

Obituary.

It is with very deep regret we have to record the death of one of our oldest friends and staunchest supporters (Mr. J. Asher), who passed away during last season, after patiently suffering for many months. The late Mr. Asher was connected with our Club since its inception, and held the office of Vice-President for many years. In his quiet, unassuming manner he was respected by all who came in contact with him, both in business and in sport.

Richmond Cricket Club.

Mr. R. V. Anderson, hon. secretary, and the Committee of the Richmond Cricket Club assisted your Executive in every possible way last season, both bodies working together harmoniously for mutual advantage. We take this opportunity to thank Mr. Anderson and the Committee of the R. C. C. for the many courtesies received.

Owing to our increased membership and the local Town Hall being not half large enough, we have been compelled to hold our Annual Meeting this year in the Skating Rink. We have to thank Mr. Beyer, the manager, for his kindly assistance in preparing the hall for our requirements. It is a regrettable fact that in a large go-ahead city like Richmond we should have a town hall totally inadequate to meet the requirements of the residents, and years behind other suburbs in this respect.

Members' Tickets.

We regret to have to announce that for many seasons past there has been outstanding accounts for members' tickets, and last season was no exception, a very large number of tickets being still unpaid for. We take this opportunity of warning those unscrupulous persons who pose as members that, for the future, the names of holders of tickets unpaid for will be published on the balance-sheet. All must admit that members get full value for their 5/-, and the person who uses a ticket that he has not paid for must be totally devoid of principle. Your Committee trust they will have no cause to complain again in this direction.

Your Delegates to the Victorian Football League, Mr. E. J. Fayle and Mr. A. A. Manzie, attended the general meetings of the league and the various sub-committee meetings regularly and helped to the best of their ability in the management of the game.

In conclusion we earnestly trust that our members this coming season will assist the Executive as much as possible by inducing new members to join our Club, and we (the Executive) will endeavor to place a first-class team in the field this season that will meet with your approval. And we sincerely hope that Committee, Players, Members and all concerned will be loyal, pull together, and work

harmoniously for the two objects, viz., the advancement of our grand old game and the welfare of the Richmond Football Club.

Trusting the coming season may be prosperous and free from misfortune and enjoyable to all concerned,

On behalf of the Committee,

Believe me to remain, faithfully yours,

ANDREW A. MANZIE, Hon. Secretary.

ADDENDUM.

Gentlemen,—

As chairman of your committee, and also as an individual who has been connected with your Club since its inception and has its welfare at heart, I have ventured to add to the clear and concise report of last season's doings, as given by your worthy secretary (Mr. Manzie) a few remarks, with the view of conveying to the members the whole-hearted and loyal way its officers have worked to bring the old Club to the front. No work has been too hard for them, and it is only those who are closely connected with football clubs at the present time who know what onerous work it entails. In your hon. sec. (Mr. Manzie) the Club is fortunate in possessing such a loyal gentleman, one of the best the Club has ever had, and whose hard work in season and out of season is the advancement of the Club and the attainment of the Premiership. He has been ably assisted by the assistant secretary (Mr. P. George), whose genial manner endears him to everyone he comes in contact with. In your hon. treasurer (Mr. A. McNair) you have a valued officer, one whose heart and soul has (both as player, committeeman, and hon. treasurer) ever been in the old Club. Your Committee as a whole are one of the most genial and hardworking in the existence of the Club, no work being too hard, no night too long while matters were being discussed for the Club's advancement; all worked harmoniously together. At the close of the season the Committee, after due consideration and seeing the onerous work that had been carried out by your hon. secretary, assistant secretary, and treasurer, unanimously voted honorariums to the three officers, the amounts being £20, £5, and £10. These amounts were well merited.

In conclusion, I trust that in the coming year the members and supporters will again rally round the old Club and give the Committee even greater support than hitherto, as, without their assistance and co-operation, we could not very well get on. Let each member induce others to join, and what a grand membership we shall have to spur us on to bring about the result we are all striving for—the Premiership of the Victorian Football League.

Faithfully yours,

JOHN J. STEWART, Chairman.
